

U.S. ARMY

Active Duty Medical Extension (ADME)

Deputy Chief of Staff, G-1

LTC Mary P. Sherman

Patient Administration, HP&S, OTSG

COL Mary E. Ancker

Background Information

Public Laws 105-85 and 106-65, and the National Defense Authorization Acts of 1998 and 2000, authorizes Reserve members who incur an injury or aggravate a previous illness or injury in the line of duty, to submit a written request for extension on active duty. Those soldiers who are eligible for extension will be ordered to, or extended on, active duty beyond a thirty-day period.

U.S. ARMY

Requirements

- Soldier's voluntary consent to remain on active duty
- DA Form 2173- line of duty determination
- DA Form 4187-signed by commander
- Physician's recommendation indicating medical treatment required for 30 days or more

U.S. ARMY

Orders

- G-1 (Army Reserve) NGB (ARNG) reviews ADME request and forwards approval recommendation to PERSCOM-St Louis.
- PERSCOM-St Louis publishes orders
- Soldier remains assigned to parent unit (TPU/IMA/IRR)
- Soldier is attached to Medical Treatment Facility (MTF) for care and administrative processing
- Soldier reports to “duty at” unit (If further attached out)

U.S. ARMY

Orders cont'd

- Soldier is authorized up to 179 days on initial ADME order

U.S. ARMY

Soldier's responsibilities

- Reports to designated duty unit
- Understands chain of command
- Informs chain of all scheduled medical appointments/care
- Attends all medical appointment-failure to do so may result in immediate release from active duty

Tracking/Case Management

- ADME Module on Medical Occupational Data System (MODS)(MEDPROS)
- G1/NGB POCs enter initial data
- Case management by MTF, RMC and G1 to ensure priority processing of MEB/PEB
